

LOFT Fellowship

ExxonMobil, one of the world's largest publically traded International oil & gas companies, has partnered with the Hispanic Heritage Foundation (HHF) to create fellowships in STEM fields (Science, Technology, Engineering and Math) for **Hispanic college students**. Through HHF's Latinos On Fast Track (LOFT) program, ExxonMobil looks to nurture motivated college students across the country, with a passion for Engineering and Science.

Selected students will be exposed to a top quality company by participating in this signature mentoring program. Each student will be paired up with one of ExxonMobil engineers/scientists to learn how their knowledge is applied in a corporate setting.

Fellowship components:

- Five 1-hour meetings with mentor (virtual or in person)
- Participation in the Harvard-certified ExxonMobil mentee program (on-line), an exclusive curriculum to introduce Fellows to the culture and vast career opportunities with the company
- \$ 1,000 educational grant
- The possibility to interview for ExxonMobil positions (internships/full-time) upon successful completion of the Fellowship

This opportunity is open to 20 **sophomores, juniors, seniors and graduate students attending a 4 year college or university** with declared primary majors in:

- Mechanical Engineering
- Chemical Engineering
- Electrical Engineering
- Civil Engineering

Other majors considered:

- Environmental Engineering
- Computer Engineering
- Petroleum Engineering
- Materials Engineering
- Industrial Engineering
- Physics
- Mathematics
- Chemistry
- Geology
- Material Sciences

Requirements:

- Be a sophomore, junior, senior or graduate student attending a 4 year college or university
- Must plan to pursue a career in the fields/majors listed above
- Have a GPA of 3.5 or higher
- Be a U.S. citizen or legal permanent resident of the United States with a valid Social Security Number at the time of application. All legal permanent residents must submit a copy of their valid permanent resident card or passport stamped I-551 (not expired). Individuals who need sponsorship for an immigration-related employment benefit, now or in the future, are not eligible. This includes individuals with temporary employment authorization visas, such as, E-3, F-1, H-1B, H-2, J, L-1, O-1, and TN.

Interested candidates must provide a complete application package by **April 22nd midnight** (see next page).
